

ProFlo Epoxy

Premium Epoxy Floors, Flawlessly Finished

**SPECIALIST EPOXY FLOORING — BIRMINGHAM & WEST
MIDLANDS**

Crafting Premium Floors

ProFlo Epoxy is a specialist epoxy flooring installer serving Birmingham and the West Midlands. We combine technical expertise with an unwavering commitment to quality, delivering floors that are as beautiful as they are durable.

Every project we undertake is tailored to your specific needs. From initial consultation through to final inspection, we work closely with you to ensure the perfect finish for your space.

As City & Guilds Assured and OX Resin Certified installers, we bring professional accreditation and proven expertise to every installation. Our team takes pride in meticulous preparation, precise application, and exceptional aftercare.

- City & Guilds Assured installers
- Premium materials and finishes
- Fully insured with workmanship guarantee
- Local Birmingham & West Midlands expertise

Metallic Epoxy Flooring

Metallic epoxy flooring creates stunning, one-of-a-kind floors with mesmerising depth and movement. Using specialist metallic pigments, each installation produces unique swirling patterns that catch and reflect light beautifully.

The high-gloss finish adds a sense of luxury and space, making it perfect for creating statement floors in modern homes, boutique spaces, and feature areas where visual impact matters.

- Unique, one-of-a-kind patterns on every floor
- High-gloss, reflective finish
- Seamless and easy to maintain
- Wide range of colour options available

IDEAL FOR

Modern homes, feature rooms, showrooms, boutique retail spaces

Epoxy Flake Flooring

Epoxy flake flooring combines exceptional durability with an attractive, textured appearance. Vinyl flakes are broadcast into the epoxy layer, creating a speckled finish that conceals minor imperfections while providing excellent slip resistance.

This system is engineered to withstand daily wear, vehicle traffic, and occasional spills, making it the practical choice for garages and utility spaces where performance matters as much as appearance.

- Outstanding durability and longevity
- Slip-resistant textured surface
- Resistant to oils, chemicals, and stains
- Multiple colour combinations available

IDEAL FOR

Garages, workshops, utility rooms, storage areas

PU Resin Flooring

PU resin flooring delivers a clean, seamless finish that transforms commercial and residential spaces. The uniform appearance creates a modern, professional aesthetic while providing excellent durability and easy maintenance.

This versatile system works equally well in showrooms, garages, and clean commercial environments, offering a timeless look that complements any interior design style.

- Clean, seamless, modern appearance
- Low maintenance and easy to clean
- Excellent chemical and stain resistance
- Professional, timeless finish

IDEAL FOR

Showrooms, garages, warehouses, commercial spaces

Our Installation Process

We make the installation process straightforward and stress-free. Here is what to expect when you work with ProFlo Epoxy.

1

Consultation & Assessment

We visit your property to assess the space, discuss your vision, and provide a detailed, no-obligation quote tailored to your requirements.

2

Surface Preparation

Our team carefully prepares the substrate as an integrated part of the installation to ensure optimal adhesion and a flawless result.

3

Epoxy Application

Expert application of your chosen epoxy system with meticulous attention to detail at every step of the process.

4

Final Inspection & Aftercare

Proper curing time followed by a thorough quality inspection before we hand over your stunning new floor, with guidance on care and maintenance.
